

The Canadian Forest, from Plantation to Multi Use Forest Park?

A Forum on approaching opportunities.

- Did you know that around 300 hectares of ex-plantation land from Elsworth St in Ballarat East to Greenhill Road in Mount Helen) is being returned to the Victorian Government?

Come along, ask questions and share your ideas with recreational and community users as we consider exciting possibilities for a new future in our local bush corridor.

Speakers:

Hedley Thomson: Co Author - Koala Comprehensive Plan of Management for the City of Ballarat.

Associate Professor Singarayer Florentine: from the UB School of Environmental Management.

Matt Pywell: Vegetation in the forest - Proprietor of Ballarat Wild Plants.

The Forum will be held at:

Earth Science Centre @ Mt Clear College.

Olympic Avenue, Mount Clear Victoria 3350.

Thursday February 14th - 7pm to 9pm.

Light refreshments provided.

Organised by: The Friends of the Canadian Corridor.
