

The Canadian Forest, from Plantation to “Multi Use Forest Park”?

Did you know that around 300 hectares of ex-plantation land (from Elsworth St in Ballarat East to Greenhill Road in Mount Helen) is being returned to the Victorian Government?

A Forum on: The Canadian Forest should be a “Multi Use Forest Park”

Please join us in an informative evening as local experts speak to the potential opportunity for a Canadian Multi Use Forest Park.

Come along and ask questions, provide ideas and share with current recreational and community users as we consider exciting possibilities for a new Forest Park in the Canadian Corridor right on the eastern doorstep of Ballarat.

Presenters:

Sophie Bickford: *Convenor - Central Victorian Alliance. The Canadian Forest: Key stone in the Great Eastern Wildlife Corridor.*

Linda Zibell: *Co Convenor - Friends of the Canadian Corridor. The social and environmental case for a Canadian Multi Use Forest Park.*

The Eureka Orienteers and the Ballarat Sebastopol Cycling Club: *Recreation opportunities in a Canadian Multi Use Forest Park*
